Dear Sir:

It is respectfully petitioned that the accompanying simultaneously filed Amendment be entered in the above-identified patent application under 37 C.F.R. § 1.312(b). The accompanying amendment is a reordering of the allowed claims in the present application, and this reordering was requested by the Examiner. However, to perfect this reordering, the accompanying amendment cancels all pending claims and requests entry of a reordered copy of the canceled claims (starting with Claim No. 223). It is believed that this Examiner requested amendment will put the present application in condition for proceeding to publication in that all claims were previously allowed.

E

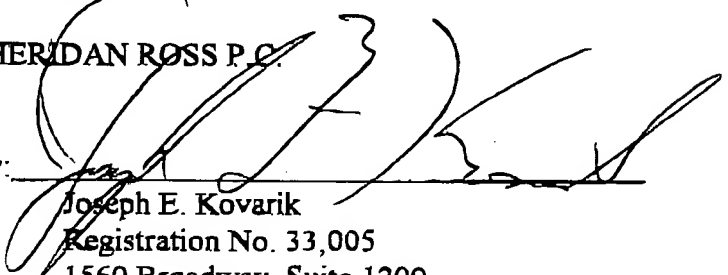

Note that the accompanying amendment was requested by the Examiner after the issue fee was paid in the present application and accordingly could not have been presented earlier. Moreover, the proposed amendment requires no substantial amount of additional work on the part of the Office, and requires no additional search or examination.

Please debit Account No. 19-1970 for the fee as required under 37 C.F.R. 1.17(i). It is believed that no additional fees are due with this petition. However, if further fees are due, please debit Account No. 19-1970.

Respectfully submitted,

SHERIDAN ROSS P.C.
